REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art of record considered as a whole fails to teach or suggest a signal recording/reproducing apparatus including a first power source unit which generates necessary electric power signals from a commercial power source, a second power unit which generates a necessary electric power signal from a battery, a recording signal processing unit, and a reproduced signal processing unit; the apparatus comprising either:

1) a time measuring instrument which is supplied with the electric power from the second power source unit; and a charging unit which charges the battery with the electric charges; **wherein whenever the time measuring instrument measures a predetermined time, the generation of the electric power signals from the first power source unit is started, and the battery is charged with the electric charges by the charging unit; or**

2) a time measuring instrument; and a time storing unit which stores therein data relating to a predetermined time; **wherein both of the time measuring instrument and the time storing unit are supplied with the electric power from the second power source unit; and wherein the start and stop of the generation of the electric power signals from the first power source unit are switched over to each other at the stored time; or**

3) a detector supplied with the electric power from the second power source unit for detecting the presence of a human body; **wherein when the presence of the human body is detected, the generation of the electric power signals from the first power source unit is started, while when the presence of the human body is not detected, the generation of the electric power signals from the first power source unit is stopped.** (bold language emphasized)

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Paul Huber whose telephone number is 571-272-7588.
